AVERITTE RIDESHARE

MASTER VEHICLE RENTAL AGREEMENT AND REQUIRED ATTACHMENTS

Complete a separate signed copy for each renter and rental. All blanks must be completed or marked N/A.

1. RENTER AND VEHICLE INFORMATION

Renter full legal name: _____

Residential street address: _____

City / State / ZIP: _____

Phone / email: _____

Driver license number / issuing state: _____

License expiration date: _____

Vehicle: 2015 Chevrolet Cruze VIN: 1G1PE5SB7F7119958 Indiana plate: ENV778

Starting mileage: _____

Pickup date / time: _____

Scheduled return date / time: _____

Pickup / return property address: _____

2. RENTAL TERM, PAYMENT AND EXTENSIONS

Rental rate is $350 per seven-day period, paid in full before vehicle release. Seven-day minimum; no security deposit. The rental is not confirmed until required documentation is accepted, the agreement is signed, and payment is received. The vehicle must be returned by the exact agreed date and time unless an extension is expressly approved and paid in advance. No extension is automatic. Any daily renewal after the initial seven days must have its rate, dates, payment and approval documented in Attachment C before it begins.

Payment method / amount / received on: _____

3. DRIVER DOCUMENTS AND SOLE AUTHORIZED DRIVER

Before pickup, renter must provide (a) a readable copy of a current unexpired driver license; (b) an official license-status verification or driving-record printout from the issuing motor vehicle agency; (c) current residential address; and (d) proof of acceptable active liability insurance. Renter must show the original license at pickup. Renter represents that driving privileges are valid and agrees to immediately report any suspension, restriction, revocation or expiration.

Only the named, verified renter may operate the vehicle. No friend, relative, passenger, or other person is authorized to drive it. Allowing any other driver is a material breach and grounds for termination and demand for return.

4. INSURANCE REQUIREMENTS

Renter must maintain liability insurance expressly applicable to operation of this rented vehicle for the entire rental, including delivery, gig, or rideshare activity if intended. An insurance card alone may not establish rental or commercial-use coverage; applicable coverage must be confirmed before vehicle release.

Option A: Renter-provided policy with insurer, policy number, effective dates, and confirmation of rental/intended-use coverage. Option B: Approved daily coverage purchased by renter and verified before pickup. Daily insurer, price, and enrollment instructions will be completed in Attachment A once confirmed; no specific $20/day rate is promised. Renter is responsible for applicable deductibles and renter-attributable uninsured losses to the extent allowed by law.

Selected option A / B: _____

Insurer / policy number: _____

Coverage effective through: _____

Coverage verified by / date: _____

5. ACCIDENTS, DAMAGE, TICKETS AND TOLLS

Renter is financially responsible, to the extent permitted by law, for damage to this rental vehicle, other vehicles, and third-party property resulting from accidents caused by renter fault, negligence, or misconduct, including applicable deductibles, repairs, and uninsured losses. Renter must promptly report accidents, damage, theft, or breakdowns, cooperate with claims, and make legally required reports. Renter is responsible for traffic tickets, parking citations, camera violations, tolls and applicable related charges arising from the rental period, including charges received after return.

6. INDIANA-ONLY USE

The vehicle must remain in the State of Indiana at all times. Driving, transporting, or allowing it to be taken outside Indiana is prohibited and constitutes a material breach.

7. DRUGS, MARIJUANA AND ALCOHOL

No renter or passenger may use or consume marijuana, illegal drugs, or alcohol inside the vehicle at any time, whether parked, moving, or turned off. Operating while impaired by alcohol, drugs, medication, or another impairing substance is prohibited. Violations are grounds for termination and return demand; renter is responsible for attributable cleaning and damage costs to the extent permitted by law.

8. GPS TRACKING AND TAMPERING

The vehicle has GPS equipment for security, location monitoring and recovery. Renter must not remove, disconnect, disable, damage, obstruct, or interfere with it. Intentional tampering is a material breach and grounds for immediate termination and demand for return. Renter may be charged attributable repair/replacement costs. If the vehicle is not returned following a lawful demand, Averitte Rideshare may report the facts to law enforcement as appropriate; tampering alone does not automatically establish theft.

9. TRAFFIC LAWS AND PROHIBITED USE

Renter must comply with applicable federal, Indiana and local traffic and motor vehicle laws, posted speed limits, safety requirements and parking restrictions. Reckless driving, street racing, driving impaired, driving without valid privileges, illegal use and unauthorized vehicle alterations are prohibited. Serious violations are grounds for termination and demand for return.

10. TOWING, IMPOUND AND RECOVERY CHARGES

Renter is responsible for reasonable towing, impound, storage and vehicle recovery costs caused by renter negligence, misconduct, unlawful parking, traffic violations, unauthorized use or renter-at-fault collisions, to the extent permitted by law. Renter is not responsible for towing caused solely by mechanical failures or conditions not attributable to renter.

11. MAINTENANCE AND MANDATORY WEEKLY IN-PERSON INSPECTION

Averitte Rideshare handles routine maintenance, scheduled oil changes, normal mechanical service, and ordinary wear-and-tear repairs. Renter must report warning lights, leaks, overheating, tire or brake problems, unusual noises and other concerns immediately, and must not knowingly continue unsafe operation. Renter may not arrange repairs, alterations or modifications without approval except necessary emergency safety measures.

Every seven (7) days, including upon renewal, renter must present the vehicle in person at the designated Averitte Rideshare property unless the company approves another location. The company may inspect oil, coolant, tires, brakes, warning lights, body/interior condition, mileage and GPS equipment. Inspection is recorded in Attachment B and acknowledged by renter. Failure or refusal to present the vehicle is a material breach and grounds for termination and demand for return. Renter remains responsible for damage or mechanical issues caused by misuse, negligence, or failure to report known problems, to the extent allowed by law.

12. LATE RETURN AND UNAUTHORIZED RETENTION

Renter must return the vehicle and all keys by the specified return time unless a renewal has been approved and paid in advance. Proposed late-return charges: 0–29 minutes late: $0; 30–119 minutes late: $25; 2 hours or more late: $75 total (a $50 daily rental equivalent plus a $25 late fee). These charges apply only to the extent permitted by law. Paying a late charge does not extend the rental or authorize continued possession.

Failure to return on time without approval is a material breach. Averitte Rideshare may demand immediate return, terminate the rental, pursue lawful recovery and contact law enforcement with the relevant facts if the vehicle is not returned. Renter may be responsible for reasonable, documented recovery costs caused by failure to return, to the extent permitted by law.

13. VEHICLE CARE, RETURN AND TERMINATION

Renter must secure and reasonably care for the vehicle and return it with keys and supplied equipment in substantially the same condition, ordinary wear excepted. Material breaches—including invalid license, lapse of required coverage, unauthorized driver, Indiana-only restriction, prohibited substance use, GPS tampering, missed weekly inspection, or failure to return—may result in termination and demand for immediate return. Recovery will be undertaken only by lawful means.

14. ACKNOWLEDGMENTS AND SIGNATURES

By signing, renter confirms the information provided is accurate, acknowledges GPS tracking, insurance, the sole-driver restriction, weekly inspection, late-return policy, and receipt of this agreement and attachments. No provision waives rights that cannot legally be waived.

Renter printed name: _____

Renter signature / date / time: _____

Averitte Rideshare representative signature / date / time: _____

ATTACHMENT A — DRIVER DOCUMENT AND INSURANCE CHECKLIST

☐ Original license viewed and matched to renter

☐ Copy of current license received

☐ Official BMV/license-status printout received and reviewed

☐ Residential address recorded

☐ Proof of liability insurance received

☐ Rental and intended gig/rideshare coverage confirmed

☐ Coverage effective for rental period

☐ Initial $350 payment received

☐ Agreement signed and policies acknowledged

☐ Pickup photos and inspection completed

☐ Keys released only after approval

Administrative note: Store license and insurance records securely. Confirm carrier coverage and applicable legal requirements before first use.

AVERITTE RIDESHARE | INSURANCE INSTRUCTIONS

Bonzah daily renter insurance — choose the correct coverage for your rental use.

Important: Personal-use coverage must not be assumed to cover Uber, Lyft, DoorDash, or other paid transportation/delivery. The renter must confirm the chosen coverage applies to the specific vehicle, dates, and intended use.

Rental use	Bonzah selection	Coverage to verify
Private use	Personal Use	Liability and rented-vehicle damage protection; check available options and exclusions
Gig work	Gig Use	Liability and vehicle damage protection that expressly covers the actual platform/work

Private-use renter instructions

1. Open Bonzah's rental-car insurance site. Enter pickup state, rental dates, and exact pickup/return times.

2. Select Personal Use. Review available liability and rented-vehicle damage protection; do not assume accident-only or personal-effects coverage is sufficient.

3. Enter the approved renter's legal name exactly as on the driver's license. Averitte Rideshare permits only the renter named in the lease to drive.

4. Purchase coverage through the entire scheduled return time, including any approved extension.

5. Provide Averitte Rideshare the insurance certificate before pickup.

Start here: bonzah.com/rental-car-insurance-coverage

Gig-work renter instructions

1. Tell Bonzah and Averitte Rideshare that the rental vehicle will be used for gig work before buying coverage.

2. Ask for Gig Use coverage, and verify that the selected liability and vehicle-damage protection actually applies to the proposed rental arrangement.

3. Identify the actual platform (such as Uber, Lyft, or DoorDash) and obtain confirmation that this specific activity is covered.

4. Provide the insurance certificate showing the correct renter, dates, vehicle/use, and active coverage before pickup.

Operator/gig information: business.bonzah.com

Insurance certificate — verify before releasing keys

■ Renter's full legal name matches the signed lease and driver's license.

■ 2015 Chevrolet Cruze / VIN 1G1PE5SB7F7119958 is correctly identified where required.

■ Insurance is effective for the entire rental period and covers the actual use.

■ Liability coverage is included and the insurer confirms rental vehicle coverage.

■ Insurance certificate or written confirmation has been received and reviewed.

These instructions summarize the supplied Bonzah operator-guide page. Coverage availability, terms, and pricing must be confirmed directly with the insurer; this appendix does not itself provide insurance.
